

REPRODUCTIVE  
**HEALTH**  
*matters*

a twice yearly  
**international journal**

a twice yearly, peer reviewed  
**international journal**

in English, with abstracts in English, French and Spanish  
and editions in Chinese, Arabic, Spanish, Hindi, Portuguese,  
French and Russian

**Written by and for:**

- women's health advocates
- researchers and scientists
- health service providers
- health policymakers
- those in related fields with an interest in women's health

**RHM aims to:**

- promote laws, policies, research and services that meet women's sexual and reproductive health needs
- examine experiences, values, issues and information from the point of view of those whose lives are affected
- motivate improvements in policy, services and practice
- inspire new thinking and action, and new forms of consensus in the field

MARK HENLEY / PANOS PICTURES
